Dear Brothers and Sisters in Christ,

From the bottom of our hearts

*"We thank you as individuals and churches, for supporting us in so many ways; in prayers, letters, cards, phone calls and financially."*

*"Thank you for loving us and caring about this ministry here in Mato Grosso, Brasil."*

It is hard to believe that half of the year has already gone by. These past months have been very busy ones. Praise God!

Church in Tarumã

The new converts are faithful and growing in the Lord, and our people are getting more involved. We continue to evangelize through the six week Bible studies. Several homes have opened their doors to us, to do the Bible studies. Many are a result of the 12<sup>th</sup> E.S.T.E.R. ( Encontro de Senhoras de Tarumã E Região) an annual meeting for the ladies from the neighborhoods in the area. This year we had 68 ladies, 47 of the ladies were unsaved.

We are running an average attendance of nearly 100 people in Sunday School and Sunday nights.

CAMP

We thank God that more backup has arrived. Bro. Sergio and his family from the church in Tarumã are our new care takers. By faith we invited him to come and work at camp for the equivalent of \$ 365 a month, and he accepted. Praise the Lord!. They are doing a great job.

This year we have already had family camp, ladies retreat, young ladies retreat and adolescents camp, all were a great blessing. Our next camp will be men's retreat in August followed by youth camp in September . Please pray for these retreats.

Camp needs

Our next major needs for camp are the restructuring of both men's and ladies' dorms , including the division of each dorm ( pavilion) into smaller cabins. This will make it easier to organize the campers . Another need is the reforming and extension of the kitchen, for more cleanliness and work space.. If you would like to help with these needs, please send your donation to CMC for Peter Doolittle - camp needs.

Family

We are all well, as the Lord continues to care for us. Stanley is almost 8 years old and will be starting 2<sup>nd</sup> grade. Kevin is 5 years old and will be starting kindergarten. Our difficulty now is how to get their material ( books and dvds) from the USA to here, because of changes in the postal system they now charge 60% of the value in taxes on anything above \$50. Because of this we are looking for people that are coming to Brasil to bring the materials for us. Every year we have the same difficulty to find someone.

Prayer

- \* Pray for the salvation of those being evangelized.
- \* Pray for the continued growth of the new converts.
- \* For development of camp for training center.
- \* For Men's Retreat in August and Youth Camp in September.
- \* Wisdom to understand God's directions.

We thank you again, and ask God's blessings upon each and every one of you.

*In Christ,  
Peter, Zirlene, Stanley and Kevin*
