Dear Friends,

We are glad to announce that we finally have a web site. Please come and browse, give us some critique and especially let us know of any Children's Ministry web sites that you have found to be helpful for ideas or resources that we can include on the resources page. We plan to add more items to download in the near future. Please tell your teachers about the site, they may especially benefit from the resources.

The address is: [teachersrus.org](http://teachersrus.org)

We are grateful for how the Lord has been working at our home church in Austin and how smoothly the transition with our new pastor has been. We are so blessed how the Lord so wonderfully provided for us. He has given us exactly what we needed.

Well, the summer is upon us and our days have once again been filled with plans and preparations for a fruitful summer reaching children for Christ. This year we hold 3 camps, 4 Vacation Bible Schools and two and a half weeks of teacher training. We have three college age young ladies traveling with us, Dulce Alvarado, Grace Sullivan and Felicia Burdett and are excited to work together with them. Please pray for safety in travel and a fruitful summer of souls.

Thank you for your prayers and support. We are blessed. God has been so good to us through His people. Recently He amazingly prompted a brother to pay off our vehicle. A MILLION THANKS and PRAISE TO THE LORD!

We would love to make sure that we have your current email address and web site, if you have one. Please take a moment to email us with this information and for those who are not already receiving it, we will begin to send our prayer letter. THANK YOU!

We are gratefully yours and His for the children,

Tom & Cris Geer
